This is in response to the petition under 37 CFR § 1.59(b), filed November 20, 2009, to expunge information from the above identified application. This application has been allowed.

Petitioner requests that the Documents submitted on November 20, 2009 be expunged from the record as they were unintentionally submitted in this application. Petitioner states either: (A) that the information contains trade secret material, proprietary material and/or material that is subject to a protective order which has not been made public; or (B) that the information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party who submitted the information or to the party in interest on whose behalf the information was submitted, and the information has not otherwise been made public.
